

Dear Principal,

Heartiest congratulations to you and the institution you lead for being one of the best schools in the country. What you achieved is the result of the untiring efforts of the teachers, school management and you.

Careers360 has been assessing schools for over 3 years and its rigorous rating system, developed with advice from academics, relies on objective data obtained from public sources.

Given the very local nature of school education, we do not believe in ranking schools. Instead, we rate them by their location, allowing broad comparisons between institutions in a particular area and enabling parents to make the right choice. Everything we do is ultimately aimed at helping students, parents, teachers and institutions.

Please find enclosed a certificate acknowledging your school's outstanding achievement.

Thank you for your contribution to education.

Best regards,

Careers360
